2. Jockey J Allyhosain (FREE TO WIN) appeared before the Board and was shown the patrol films of the race in relation to his ride. The Jockey explained that it was their strategy to let LUNAFACATION (B. Sooful) take the lead if that horse insisted and he was to ride his horse with the pace and beat LUNAFACATION in the sprint. He added that his horse was travelling well in the race and he was in a box seat till the 450m. At that stage, his horse was travelling well. However, when he intended to ride from the outside of LUNAFACATION, near the 300m, the horse did not respond. He further stated that it was not the same horse that he won on last time.
