After a reading was taken at 8hr30 this morning by the Clerk of the Course, J. Sampson, a decision was taken to go ahead with today's race meeting. However, prior to the commencement of racing, there was continuous rain which resulted in the track being further rain affected. Consequently, a Wet Weather Panel which consisted of the Stipendiary Stewards, Trainers, Jockeys, the Veterinary Surgeon and the Clerk of the Course, was convened in order to assess the state of the track and whether racing was to continue. In this regard, after walking the track, the feedback was unanimous that the track had deteriorated to the point that it was no longer safe for racing. Accordingly, today's race meeting was abandoned.
