Rescheduled time:	-
Off time:	13.26.30

**Starting Reports**

1. No report.

**Stewards Reports**

1. From the gates, THE GATEKEEPER (R. Joorawon) jumped first and led in the early strides of the race before being crossed at the 2300m and racing in the position behind the leader. Subsequently, this gelding overraced in the early and middle stages whilst being restrained away from the fast early pace, which resulted in it obtaining the position three back on the inside at the 1900m. At the 900m, Jockey R. Joorawon elected to shift off the inside running rail into a one-off position and brushed with HOLY WARRIOR (D. Bheekary) when awkwardly placed on the inside of ALSHIBAA (C. Segeon). Subsequently, Jockey R. Joorawon tracked ALSHIBAA into the race between the 600m and the 400m before angling his mount outside of ALSHIBAA inside the 400m in order to make its run. At the top off the straight, THE GATEKEEPER struck the front and kicked clear of the field to win easily.

2. Out of the gates, TWIST OF FATE (R. Perez) jumped moderately and overraced in the early stages whilst being restrained to the rearward position on the rail initially three back on the inside. Between the 2000m and the 1900m, however, this gelding lost ground to the front runners which allowed sufficient room for two runners ahead of it to find the rail. This resulted in this horse racing in the position five back in last on the inside. At the 800m, as the pace quickened, TWIST OF FATE was ridden in order to keep pace with the field and was angled out turning for home. In the straight, however, this gelding which showed an inclination to lean in, made its run on the middle to the inside of the track and only finished its race off moderately to run third.
3. ALSHIBAA (C. Segeon) was carried out at the start. This gelding was subsequently restrained into a rearward position and after racing one-off for the first 300m of the race, was able to secure the running at the 1900m four back on the inside running rail, tracking THE GATEKEEPER. At the 1000m, Jockey C. Segeon elected to race around the field, briefly racing in a three deep position between the 900m and the 700m, before obtaining the lead whilst being positioned outside the leader at the 600m and crossing to the rail leaving the 300m. In the straight, this horse made its run toward the inside of the track and stayed on well to run second.
4. HOLY WARRIOR (D. Bheekary) was carried out at the start and jumped moderately. Thereafter, this gelding mustered speed in order to obtain the position outside the leader at the 2200m before being able to secure a position on the rail behind the leader at the 1900m. At the 700m, this horse was ridden to keep pace with the field. However, it was unable to keep in touch with the leaders and ran on steadily in the straight to finish fourth.
5. From the start, LUNAFACATION (M. De Oliveira) jumped out and was ridden aggressively in order to obtain the lead which it did at the 2300m. Thereafter, this gelding overraced at various points in the early and middle stages which resulted in this race being run at a fast pace. At the 900m, this horse was ridden in order to hold the lead, however, it was passed at the 600m, crossed at the 300m and ultimately compounded in the straight to run a distant fifth. In view of the performance of LUNAFACATION, the Veterinary Surgeon was requested to examine.
6. FAVOUR (I. Taka) injured its nose en route to the start. Subsequently, this gelding was examined by the Veterinary Surgeon and withdrawn.
