

## Press release

Following the Court's ruling this Tuesday 20 September 2022 to grant to MTC Sports and Leisure Limited a stay of the decision of the Gambling Regulatory Authority (GRA) and the Horse Racing Division (HRD), authorising People's Turf to hold an additional race day this weekend, Race Meeting 23 has been put on hold, pending any further determination by the Court.

The entries published earlier today for both Saturday 24 September 2022 and Sunday 25 September 2022 have been voided by the HRD. There will be only 1 Race Meeting this weekend, on Sunday 25 September 2022. Entries are being reopened with a new programme of 9 races.

The HRD will be taking fresh nominations for the Sunday Race Meeting on Wednesday 21 September 2022, until 8.30 a.m. The declarations for the races will be on Friday 23 September 2022, until 8.30 a.m., with the Race Card on the same day.

The HRD has taken this initiative in the best interest of the racing industry, and giving owners and trainers the opportunity to race a maximum of the horses which were already under treatment for the coming weekend.
