

SUPPLEMENTARY REPORT FROM RACE 1,
THE BAISER DE PAIX PLATE
RUN ON 29TH OCTOBER 2022
RACE MEETING 30 – MTC SPORTS & LEISURE

An inquiry was held at the Office of the Horse Racing Division on 09th November 2022, and Jockey J Allyhosain (CHARLIE SQUADRON), along with Trainer P Merven, and Jockey S Rama (THE RIGHT STUFF), along with Trainer C Daby, were interviewed with regard to the riding of both the Jockeys in this race, wherein it was observed that ZUM ZUM, the eventual winner, was able to secure an easy lead.

Jockeys J Allyhosain and S Rama explained that they had ridden their horses as per the instructions. They opined that ZUM ZUM, who was having its 2nd start of its career in Mauritius and had gone to the front for the first time, was ridden too fast and they had expected ZUM ZUM to not sustain the pace but the horse continues to race with that pace. Trainers P Merven and C Daby were satisfied with the riding of the respective Jockeys on their horses.

After having heard their submissions, the Stewards gave both Jockeys the benefit of a doubt, however, both were informed to show more initiative in future so as to leave no cause for concern.
